

# Bill Monroe & His Bluegrass Boys, Never Again (V

The stars up in the sky remind me of your eyes  
And the way they use to gaze into mine  
The moon up above brings back memories of love  
I thought was true and so divine

So never again, oh never no more  
Never again will I knock upon your door  
Never again but these words I can say  
&#039;ll try not to love and stay out of your way

We had the greatest start but deep within your heart  
You led me on before I knew the score  
You cheated and you lied I stayed right by your side  
Until one day simply closed the door
