Bill Monroe & His Bluegrass Boys, Never Again (\

The stars up in the sky remind me of your eyes And the way they use to gaze into mine The moon up above brings back memories of love I thought was true and so divine

So never again, oh never no more Never again will I knock upon your door Never again but these words I can say I'll try not to love and stay out of your way

We had the greatest start but deep within your heart You led me on before I knew the score You cheated and you lied I stayed right by your side Until one day simply closed the door
