

Bill Monroe & His Bluegrass Boys, Time Changes

There was a time when I thought of no other
And we sang our own love's refrain
And our hearts beat as one as we had our fun
But time changes everything

And when you left me my poor heart was broken
Our romance seemed all in vain
The dark clouds are gone and there's blue skies again
Yes time changes everything

The time has passed and I have forgot you
Mother nature does wonderful things
I guess it is true for me and for you
Cause time changes everything

Oh you can change the name of an old song
Rearrange it and make it swing
I thought nothing could stop me from loving you
But time changes everything

So good luck to you, may God bless you
I can't say we won't love again
You have gone your way and I'll go mine
Cause time changes everything
