Bill Monroe & His Bluegrass Boys, When My Blue

Memories that linger in my heart Memories that make my heart grow cold But some day they'Il live again sweetheart And my blue moon again will turn to gold

When my blue moon turns to gold again When the rainbow turns the clouds away When my blue moon turns to gold again You'll be back within my arms to stay

The lips that used to thrill me so Your kisses were meant for only me In my dreams they live again, sweetheart But my golden moon is just a memory

The castles we built of dreams together Were the sweetest stories ever told Maybe we will live them all again And my blue moon again will turn to gold
