

Bill Monroe, Stay Away From Me

Stay away from me, you're causing me trouble
It's been that way, since from the start
Go on your way, you have another waiting
Stay away from me, you're breaking my heart

Oh the sky is blue, and the sun is shining
And Autumn leaves have turned to brown
I loved you so, but I can't have you
Stay away from me, stay out of town

Stay away from me, I know what you're after
Its best if we, stay far apart
You brought me pain, no joy no laughter
Stay away from me, you're breaking my heart
