

Bill Monroe, You Won't Be Satisfied That Way

You Won't Be Satisfied That Way - Bill Monroe
(Davis/Ellis)

I tried to tell you how I loved you
And I tried to tell you night and day
But when I'm gone no more to see you
Honey you won't be satisfied that way

I'll leave you now if you don't want me
I'll leave you anytime you say
But when I'm gone no more to see you
Honey you won't be satisfied that way
