

# Bill Nye, Farm Food

[Note - The lines marked \* only appear in Chris Ballew's original demo, and were spliced out for the

I'm movin' to the country  
Gunna eat a lot of farm food  
I'm movin' to the country  
Gunna eat me a lot of farm food  
I'm movin' to the country  
Gunna eat a lot of farm food  
I'm movin' to the country  
Gunna eat a lot of farm food

Farm food's grown with a plan  
Raised and planted by humans  
Riding tractors around  
And no matter where I might stay  
I'll eat farm food every day  
Get it down at the grocery

Movin' to the country  
Gunna raise a lot of farm food  
I'm movin' to the country  
Gunna raise a lot of farm food  
\* Movin' to the country  
\* Gunna raise a lot of farm food  
\* Movin' to the country  
\* Gunna raise a lot of farm food

\* I took a little sap from a maple tree  
\* Raised some chickens to fricasee  
\* And dreamed about "Green Acres"  
\* I pushed my basket down the aisle  
\* The supermarket stretched for a country mile  
\* Nature's bounty for a soup, casserole or a pie

Yeah yeah  
(Yeah yeah)  
(Yeah yeah)

Bushels of farm food  
Farm food for me  
Acres of farm food  
Farm food you see  
Truckloads of farm food  
Farm food for me  
Millions of farm foods  
Farm foods you see  
Oh look out!

Bushels of farm food  
Farm food for me  
Acres of farm food  
Farm food you see  
Truckloads of farm food  
Farm food for me  
Millions of farm foods  
Farm foods you see
