

Bill Nye, I'm A Sole Man

Swimmin' to ya
With my backbone
And with my fins
I'm gonna get home

Live underwater
Salt or fresh
All fish groove
Wherever it's the best

I'm a sole man
I'm a bass man
I'm a trout man
I'm a fish fan

Now before you get
Your fishy fill
Just remember
They breathe with their gills

'Cause I know all fish
They love it wet
Now step back
You ain't heard nothing yet

I'm a sole man
I'm a scrod man
I'm a sturgeon man
I'm a fish fan

Goodnight everybody, we'll see you underwater
