

Bill Nye, Jennifer's A Mammal

So I'm, like, watching this science show, and this guy, who's kinda cute, is like, talking about mammals.

So I start thinking, "Wait a minute, I'm a mammal!"

So I go tell my mom, "Mom, guess what? I'm a mammal, and you're a mammal too!"

So my mom is like, "What do you mean we're mammals?"

So I go, "Mom, where have you been? Mammals have hair, they're warm blooded, and they

All people are mammals, and so is our cat Fluffy!"

So my mom goes, "Well, what about our parakeets, are they mammals too?"

And I'm like, "No Mom, they're birds, not mammals; birds have feathers, not hair, but that's all

I mean, cats and dogs are mammals, and so are cows and goats and horses, monkeys, lions, tigers,
