

Bill Withers, I Wish You Well

I wish you flowers sunshine and smiles
I wish you children that grow to make you proud
I wish you pretty things to wear
Sweet things to smell

I wish you well
I wish you well
I wish you well
I wish you well

I wish you good friends that always treat you fair
Wanna wish you ribbons to tie around your hair
I wish you truckloads of cheer and many happy years

I wish you well
I wish you well
I wish you well
I wish you well

Wanna wish you freedom to do the things you love
I wish you blessings and kindness from above
Wanna wish you sunlight through the clouds
And I hope you laugh out loud

I wish you well
I wish you well
I wish you well
I wish you well
