## Bill Withers, I Wish You Well

I wish you flowers sunshine and smiles I wish you children that grow to make you proud I wish you pretty things to wear Sweet things to smell

I wish you well I wish you well I wish you well I wish you well

I wish you good friends that always treat you fair Wanna wish you ribbons to tie around your hair I wish you truckloads of cheer and many happy years

I wish you well I wish you well I wish you well I wish you well

Wanna wish you freedom to do the things you love I wish you blessings and kindness from above Wanna wish you sunlight through the clouds And I hope you laugh out loud

I wish you well I wish you well I wish you well I wish you well
