

# Bill Withers, If I Didn't Mean You Well

If I didn't mean you well  
I'd go and find another place to play  
I'd entertain myself a better way  
Hey! Hey! Hey! Hey!  
If I didn't mean you well

I'm aware you just can't tell  
If people really mean the things they say  
But I've been lied to, too much in my day  
To play games that way  
If I didn't mean you well
