

Bill Withers, My Life Is In Your Hands

You don't have to worry
and don't you be afraid
joy comes in the morning
troubles they don't last always
for there's a friend name Jesus
who will wipe your tears away
and if your hear is broken
just lift your hands and say
chorus:

Oh, I know that I can make it
I know that I can stand
no matter what may come my way
my life is in your hands

You don't have to worry
and don't you be afraid
joy comes in the morning
troubles they don't last always
for there's a friend name Jesus
who will wipe your tears away
and if your heart is broken
just lift your hands and say
chorus:

Oh, I know that I can make it
I know that I can stand
no matter what may come my way
my life is in your hands
with Jesus I can take it
with him, I know I can stand
no matter what may come my way
my life is in your hands
So learn your tests and trials
they seem to get you down
and all your friends and love ones
are no where to be found
remember there's a friend name Jesus
who will wipe your tears away
and if your heart is broken
just lift your hands and say
chorus:

Oh, I know that I can make it
I know that I can stand
no matter what may come my way
my life is in your hands
with Jesus I can take it
with him, I know I can stand
no matter what may come my way
my life is in your hands
(repeat chorus all the way until the end)
