

# Bill Withers, She's Lonely

She's a different kind of lady  
She's not often understood  
She's a doin' kind of lady  
And what she's doin' does some good

But she lonely  
But she lonely  
She lonely  
But she lonely

Free and easy kind of lady  
And the books she reads are good  
Let me be me kind of lady  
And she's being what she should

But she lonely  
She lonely  
Pretty little girl is lonely  
She lonely  
Yeah, pretty little girl is lonely  
It's a well kept secret  
Pretty little girl is lonely  
Pretty little girl is lonely

She's a different kind of lady  
She's not often understood  
She's a doin' kind of lady  
And what she's doin' does some good

But she lonely  
But she lonely  
She lonely  
But she lonely
