

Bill Wyman, (Si Si) Je suis un Rock Star

Said she come from Rio
Lived on a mountain
I met her in Trafalgar Square
She was sitting in the fountain
She took off her hat
And she had lovely hair
Said she smoked marijuana
At the Coco Cabana there
South American lady
You've got that crazy beat
Brazilian beauty
With the flashing feet
We danced to the music
At the Mardi-Gras
Then jumped on the Concorde
You're so lah-di-dah

Si, si

Si, si

Si, si

Took her to a disco

In Battersea

I asked her to dance

And then she danced with me

And then I took a chance

Come home with me today

I live in France

We can get there B-E-A

Je suis un rock star

Je avais un residence

Je habiter la

A la south of France

Voulez vous

Partir with me?

And come and rester la

With me in France

But BEA's on strike

There's no planes flying

I can rent a motorbike

At least I'm trying

We could go on the hovercraft

Across the water

They'll think I'm your dad

And you're my daughter

Je suis un rock star

Je avais un residence

Je habiter la

A la south of France

Voulez vous

Partir with me?

And come and rester la

With me in France

Je suis un rock star

Je avais un residence

Je habiter la

A la south of France

Voulez vous

Partir with me?

And come and rester la

With me in France

Je suis un rock star

Je avais un residence

Je habiter la

A la south of France

Voulez vous

Partir with me?
And come and rester la
With me in France
Je suis un rock star
Je avais un residence
Je habiter la
A la south of France
Voulez vous
Partir with me?
And come and rester la
With me in France
Je suis un rock star
Je avais un residence
Je habiter la
A la south of France
Voulez vous
Partir with me?
And come and rester la
With me in France
