

Billie, Because We Want To

We can do anything we want
We can do anything we want
We can do anything we want
We can do anything we want
Why you gotta play that song so loud?
Because we want to! Because we want to!
Why d'you always run around in crowds?
Because we want to! Because we want to!
Why d'you always have to dance all night?
Because we want to! Because we want to!
Why d'you always say what's on your mind?
Because we want to! Because we want to!

Don't try to tell me what I already know
Don't criticise me 'cause I'm running the show
Some revolution is going to happen today
I'm gonna chase the dark clouds away
Come on and help me sing it

We can do what we want to do
We can do anything
Free to be who we want to be
Just tell yourself you can do it

Why you gotta play that song so loud?
Because we want to! Because we want to!
Why d'you always run around in crowds?
Because we want to! Because we want to!
Why d'you always have to dance all night?
Because we want to! Because we want to!
Why d'you always say what's on your mind?
Because we want to! Because we want to!

I throw a party for the world and my friends
We take life easy, the music never ends
Perfect solution to the stress and the strains
I know the sun will follow the rain
Come on and help me sing it

We can do what we want to do
We can do anything
Free to be who we want to be
Just tell yourself you can do it

Why you gotta play that song so loud?
Because we want to! Because we want to!
Why d'you always run around in crowds?
Because we want to! Because we want to!
Why d'you always have to dance all night?
Because we want to! Because we want to!
Why d'you always say what's on your mind?
Because we want to! Because we want to!

So shake it, move it, use it, groove it
Go with the flow and take off with the show
Let me tell you its sweet and its upbeat
Me and the crew there's nothing we can't do

If you want to catch this vibe then get with us
Come on and help me sing it

We can do what we want to do
We can do anything
Free to be who we want to be

Just tell yourself you can do it

Why you gotta play that song so loud?
Because we want to! Because we want to!
Why d'you always run around in crowds?
Because we want to! Because we want to!
Why d'you always have to dance all night?
Because we want to! Because we want to!
Why d'you always say what's on your mind?
Because we want to! Because we want to!

(Repeat Chorus to fade)
