

# Billie, Because We Want To (Radio Edit)

We can do anything that we want, we can, we can,  
we can, we can do anything that we want  
Why you gotta play that song so loud?  
Because we want to! Because we want to!  
Why you always run around in crowds?  
Because we want to! Because we want to!  
Why d'you always have to dance all night?  
Because we want to! Because we want to!  
Why d'you always say what's on your mind?  
Because we want to! Because we want to!  
Don't try to tell me what I already know  
Don't criticise me 'cause I'm running the show  
Some revolution is going to happen today  
I'm gonna chase the dark clouds away  
Come on and help me sing it  
We can do what we want to do  
We can do anything  
Free to be who we want to be  
Just tell yourself you can do it!  
Why you gotta play that song so loud?  
Because we want to! Because we want to!  
Why you always run around in crowds?  
Because we want to! Because we want to!  
Why d'you always have to dance all night?  
Because we want to! Because we want to!  
Why d'you always say what's on your mind?  
Because we want to! Because we want to!  
I'll throw a party for the world and my friends  
We'll take life easy, the music never ends  
Perfect solution to the stress and the strain  
I know the sun will follow the rain  
Come on and help me sing it  
We can do what we want to do  
We can do anything  
Free to be who we want to be  
Just tell yourself you can do it!  
Why you gotta play that song so loud?  
Because we want to! Because we want to!  
Why you always run around in crowds?  
Because we want to! Because we want to!  
Why d'you always have to dance all night?  
Because we want to! Because we want to!  
Why d'you always say what's on your mind?  
Because we want to! Because we want to!  
We can do anything that we want, we can, we can,  
we can, we can do anything that we want  
So shake it, move it, use the groove  
Go with the flow and take off with the show  
Let me tell you it's sweet and it's an up-beat  
Me and the crew, there's nothing we can't do  
If you wanna catch this vibe then get with us  
Come on and help me sing it!  
We can do what we want to do  
We can do anything  
Free to be who we want to be  
Just tell yourself you can do it!  
Why you gotta play that song so loud?  
Because we want to! Because we want to!  
Why you always run around in crowds?  
Because we want to! Because we want to!  
Why d'you always have to dance all night?  
Because we want to! Because we want to!  
Why d'you always say what's on your mind?  
Because we want to! Because we want to!
