

# Billie Eilish, GOLDWING

[Intro]

"He hath come to the bosom of his beloved  
Smiling on him, she beareth him to highest heav'n  
With yearning heart"  
"On thee we gaze, O' gold-wing'd messenger of mighty Gods"

[Instrumental Break]

[Verse 1]

Goldwinged angel  
Go home, don't tell  
Anyone what you are  
You're sacred and they're starved  
And their art is gettin' dark  
And there you are to tear apart  
Tear apart, tear apart, tear apart

[Chorus]

You better keep your head down-down  
Da-da-down-down, da-da-down-down  
Better keep your head down-down  
Da-da-down-down, da-da-down-down

[Verse 2]

They're gonna tell you what you wanna hear  
Then they're gonna disappear  
Gonna claim you like a souvenir  
Just to sell you in a year

[Chorus]

You better keep your head down-down  
Da-da-down-down, da-da-down-down  
Keep your head down-down (Down)  
Da-da-down-down, da-da-down-down  
Better keep your head down-down  
Da-da-down-down, da-da-down-down  
Keep your head down-down  
Da-da-down-down, da-da-down-down

[Outro]

That's good!
