

# Billie Eilish, I Love You

It's not true  
Tell me I've been lied to  
Crying isn't like you, ooh  
What the hell did I do?  
Never been the type to  
Let someone see right through, ooh

Baby, won't you take it back?  
Say you were tryna make me laugh  
And nothing has to change today  
You didn't mean to say "I love you"  
I love you and I don't want to, ooh

Up all night on another red-eye  
We wish we never learned to fly high  
Maybe we should just try  
To tell ourselves a good lie  
I didn't mean to make you cry, I

Baby, won't you take it back?  
Say you were tryna make me laugh  
And nothing has to change today  
You didn't mean to say "I love you"  
I love you and I don't want to, ooh

The smile that you gave me  
Even when you felt like dying

We fall apart as it gets dark  
I'm in your arms in Central Park  
There's nothing you could do or say  
I can't escape the way, I love you  
I don't want to, but I love you, ooh  
Ooh, ooh  
Ooh, ooh
