

Billie Eilish, L'Amour De Ma Vie

I wish you the best for the rest of your life
Felt sorry for you when I looked in your eyes
But I need to confess
I told you a lie
I said you, you
Were the love of my life
The love of my life

Did I break your heart?
Did I waste your time?
I tried to be there for you
Then you tried to break mine

It isn't asking for a lot for an apology
For making me feel like it'd kill you if I tried to leave
You said you'd never fall in love again because of me
Then you moved on immediately

(Bum-bum-bum)

But I wish you the best for the rest of your life
Felt sorry for you when I looked in your eyes
But I need to confess
I told you a lie (Told you a lie)
When I said you (Said you, ooh)
You were the love of my life
The love of my life

So you found her, now go fall in love (Go fall in love)
Just like we were if I ever was
It's not my fault (No)
I did what I could (I did what I could)
You made it so hard
Like I knew you would

Thought I was depressed or losing my mind
My stomach upset, almost all of the time
But after I left, it was obvious why (Oh), mm
Because for you, you
I was the love of your life, mm
But you were not mine

It isn't asking for a lot for an apology
For making me feel like it'd kill you if I tried to leave
You said you'd never fall in love again because of me
Then you moved on, then you moved on
Then you moved on, then you moved on
Then you moved on, then you moved on

You wanted to keep it
Like something you found
'Til you didn't need it
But you should've seen it
The way it went down
Wouldn't believe it

Wanna know what I told her?
With her hand on my shoulder
You were so mediocre
And we're so glad it's over now

It's over now
It's over now
It's over now

Camera
Caught on camera
The girls on camera
Your girl's a fan of

Miss me
Say you miss me
It's such a pity
We're both so pretty
