

Billie Eilish, No Time To Die (piosenka z filmu Nie

I should have known
I'd leave alone
just goes the show
that the blood you bleed
is just the blood you own

we were a pair
but what I saw you there
too much to bear
you were my life
but life is far away from fair

was I stupid to love you?
was I reckless to help?
was it obvious to everybody else?

that I'd fallen for a lie
you're never on my side
fool me once, fool me twice
how you dare the paradise
now you'll never see me cry
that's just no time to die

I let it burn
you're no longer my concern
faces from my past return
another lesson yet to learn

that I'd fallen for a lie
you're never on my side
fool me once, fool me twice
how you dare the paradise
now you'll never see me cry
that's just no time to die

No Time To Die
No Time To Die

fool me once, fool me twice
how you dare the paradise
now you'll never see me cry
that's just no time to die
