

# Billie Eilish, No Time To Die (piosenka z filmu Nie

I should have known  
I'd leave alone  
just goes the show  
that the blood you bleed  
is just the blood you own

we were a pair  
but what I saw you there  
too much to bear  
you were my life  
but life is far away from fair

was I stupid to love you?  
was I reckless to help?  
was it obvious to everybody else?

that I'd fallen for a lie  
you're never on my side  
fool me once, fool me twice  
how you dare the paradise  
now you'll never see me cry  
that's just no time to die

I let it burn  
you're no longer my concern  
faces from my past return  
another lesson yet to learn

that I'd fallen for a lie  
you're never on my side  
fool me once, fool me twice  
how you dare the paradise  
now you'll never see me cry  
that's just no time to die

No Time To Die  
No Time To Die

fool me once, fool me twice  
how you dare the paradise  
now you'll never see me cry  
that's just no time to die
