Billie Eilish, No Time To Die (piosenka z filmu Nie

I should have known
I'd leave alone
just goes the show
that the blood you bleed
is just the blood you own

we were a pair but what I saw you there too much to bear you were my life but life is far away from fair

was I stupid to love you? was I reckless to help? was it obvious to everybody else?

that I'd fallen for a lie you're never on my side fool me once, fool me twice how you dare the paradise now you'll never see me cry that's just no time to die

I let it burn you're no longer my concern faces from my past return another lesson yet to learn

that I'd fallen for a lie you're never on my side fool me once, fool me twice how you dare the paradise now you'll never see me cry that's just no time to die

No Time To Die No Time To Die

fool me once, fool me twice how you dare the paradise now you'll never see me cry that's just no time to die
