

Billie Eilish, Santa Song

Hey, girls,

I have a Christmas question for you

Has this ever happened to

- it sure, has, leaslie d.

wait, i haven't asked you yet

- asked us what, leaslie d.?

Just let me ask it and then you will know

- ok, don't get mad

Girls, i am asking if you ever dreamed of meeting someone

Your whole entire life

And then when you finally got the chance

It didn't go quite as planned?

- oh, we know just what you're talking about, But sing about it anyway. Just in case we don't know
