

Billie Eilish, you should see me in a crown (Takashi Murakami)

bite my tongue ,bide my time
wearing a warning sign
wait till the world is mine
visions I vandalize
cold in my kingdom size
fell for these ocean eyes

you should see me in a crown
I;m gonna run this nothing town
watch me make them bow
one by one by one
one by one by
you should see me in a crown
our silence is my favourite sound
watch me make them bow
one by one by one
one by one by

count my cards watch them fall
blood on a marble wall
I like the way they all scream
tell me which one is worse
living or dying first?
sleeping inside a hearse
I don't dream

you say
come over baby
I think you're pretty
I'm ok
I'm not your baby
you think I'm pretty

you should see me in a crown
I;m gonna run this nothing town
watch me make them bow
one by one by one
one by one by
you should see me in a crown
our silence is my favourite sound
watch me make them bow
one by one by one
