

Billie Holiday, Any Old Time

any old time you want me
i am yours for the asking darling
any old time you need me
ill be there with love thats lasting darling.
all through the years well stand together
sharing the tears and stormy weather
and the sunshine will be yours and mine
any old time your blue
youll have our love to chase away the blues
and any old thing you do ill see you through.
so just remember that i am waiting dear
if ever you want me ill be near,
any old time and any place you may be.
