Billie Holiday, Don't Explain

Hush now dont explain
I know you raise Cain
Im glad youre back
Dont explain
Quiet, dont explain
You mixed with some dame
Skip that lipstick
Dont explain
You know that I love you and what love endures
All my thoughts are of you
For Im so completely yours
Cry to hear folks chatter, and I know you cheat
But right and wrong dont matter when youre with me sleep
Hush now, dont explain
Youre my joy and pain
My lifes yours love
Dont explain
