

# Billie Holiday, Everything I Have Is Yours

Burton Lane / Harold Adamson

Everything I have is yours  
You are part of me  
Everything I have is yours  
My destiny

I would gladly give the sun to you  
If the sun were only mine  
I would gladly give the earth to you  
And the stars that shine  
Everything that I possess  
I offer you

Let my dream of happiness  
Come through  
I'll be happy just to spend my life  
Waiting at your beck and call  
Everything I have is yours  
My life  
My all

Everything I have is yours  
You are part of me  
Everything I have is yours  
My destiny

I would gladly give the sun to you  
If the sun were only mine  
I would gladly give the earth to you  
And the stars that shine  
Everything that I possess  
I offer to you

Let my dream of happiness  
Come through  
I'll be happy just to spend my life  
Waiting at your beck and call  
Everything I have is yours  
My life  
My all
