

# Billie Holiday, FOR HEAVEN'S SAKE

FOR HEAVEN'S SAKE

D.Meyer/Bretton/S.Edwards

For heavens sake let fall in love

It no mistake to call it love

An angel holding hands with me

How heavenly heaven can be

Here is romance for us to try

Here is a chance we can deny

While heaven giving us a break

Let fall in love for heaven sake

Don say a word my darling

Don break the spell like this

Just hold me tight; wee alone in the night

And heaven is here with a kiss

This pair of eyes can see a star

So paradise can be so far

Since heaven what wee dreaming of

For heaven sake, let fall in love
