

Billie Holiday, GONE WITH THE WIND

Gone with the wind
just like a leaf that has blown away
gone with the wind
my romance has flown away
yesterday's kisses are still on my lips
i had a lifetime of heaven at my fingertips
now all is gone
gone is the rapture that filled my heart
gone with the wind
the gladness that thrilled my heart
just like a flame love burned brightly
then became an empty smoke dream
that has gone with the wind
