

Billie Holiday, I'M IN A LOW DOWN GROOVE

R. Jacobs

I'm in a lowdown groove
From carrying a torch for you
Oh, what a lowdown groove
Really don't know what to do
My heart has no sense of humor
Dear, as far as you're concerned
It's more than a Winchell rumor
This time I really got burned
I don't need a song to prove
That I'm in such a lowdown groove
