

# Billie Holiday, I'M IN A LOW DOWN GROOVE

R. Jacobs

I'm in a lowdown groove  
From carrying a torch for you  
Oh, what a lowdown groove  
Really don't know what to do  
My heart has no sense of humor  
Dear, as far as you're concerned  
It's more than a Winchell rumor  
This time I really got burned  
I don't need a song to prove  
That I'm in such a lowdown groove
