

Billie Holiday, I'VE GOT A DATE WITH A DREAM

Mack Gordon / Harry Revel

I've got a date with a dream

A dream divine

I've got a date with a dream

Who may be mine

I've got to hurry and dress

To meet him at seven

When any old corner becomes a corner

Of heaven, blue heaven

I'm gonna dance with a dream

We'll dance on air

I'm gonna speak to a dream

And tell him I care

And when the evening is over

I'll kiss him goodnight and then

I'll have a date with a dream

And meet him all over again
