Billie Holiday, I'VE GOT A DATE WITH A DREAM

Mack Gordon / Harry Revel
I've got a date with a dream
A dream divine
I've got a date with a dream
Who may be mine
I've got to hurry and dress
To meet him at seven
When any old corner becomes a corner
Of heaven, blue heaven
I'm gonna dance with a dream
We'll dance on air
I'm gonna speak to a dream
And tell him I care
And when the evening is over
I'll kiss him goodnight and then
I'll have a date with a dream
And meet him all over again
