

Billie Holiday, I've Got My Love To Keep Me Warm

The snow is snowin'
The wind is blowin'
But I can weather the storm
What do I care how much it may storm
I've got my love to keep me warm
I can't remember
A worse December
Just watch those icicles form
What do I care if icicles form
I've got my love to keep me warm
Off with my overcoat
Off with my gloves
I need no overcoat
I'm burning with love
My hearts on fire
The flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm
(bridge)
My hearts on fire
The flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm
