

# Billie Holiday, Lover come back to me

You went away  
I let you  
We broke the ties that bind  
I wanted to forget you  
And leave the past behind  
Still, the magic of the night I met you  
Seems to stay forever in my mind  
The sky was blue  
And high above  
The moon was new  
And so was love  
This eager heart of mine was singing  
Lover where can you be  
You came at last  
Love had its day  
That day is past  
You've gone away  
This aching heart of mine is singing  
Lover come back to me  
When I remember every little thing  
You used to do  
I'm so lonely  
Every road I walk along  
I walk along with you  
No wonder I am lonely  
The sky is blue  
The night is cold  
The moon is new  
But love is old  
And while I'm waiting here  
This heart of mine is singing  
Lover come back to me  
When I remember every little thing  
You used to do  
I grow lonely  
Every road I walk along  
I walk along with you  
No wonder I am lonely  
The sky is blue  
The night is cold  
The moon is new  
But love is old  
And while I'm waiting here  
This heart of mine is singing  
Lover come back to me
