

Billie Holiday, SOMEBODY'S ON MY MIND

Billie Holiday / Arthur Herzog Jr.

Somebody's on my mind

Like an old sweet song, "The Lasting Time"

Somebody's on my mind

So I'm walking on clouds on a silver line

To dream my dream could be my mistake

But I'd rather be wrong

And sleep right along than wake

Love may be blind I'll take my chances

That it cares this affair, my real romance

That's why you'll find somebody's on my mind
