

# Billie Holiday, THEY SAY

Edward Heyman / Paul Mann / Stephan Weiss

They say you have no lips  
For a fool such as I  
They say you just believe  
In hello and goodbye  
And they say that the one I admire  
Isn't even remotely concerned  
And that I'll go on playing with fire  
Until I have learned  
My heart has been burned  
They say I shouldn't dream  
Of your face in the moon  
They say all of my dreams will be  
Nightmares too soon  
Let them talk  
Let them think what they want to  
If it makes them feel happy that way  
I know I'll always love you  
No matter what they say
