Billie Holiday, THEY SAY

Edward Heyman / Paul Mann / Stephan Weiss They say you have no lips For a fool such as I They say you just believe In hello and goodbye And they say that the one I admire Isn't even remotely concerned And that I'll go on playing with fire Until I have learned My heart has been burned They say I shouldn't dream Of your face in the moon They say all of my dreams will be Nightmares too soon Let them talk Let them think what they want to If it makes them feel happy that way I know I'll always love you No matter what they say
