

# Billie Holiday, THIS IS HEAVEN TO ME

Ernest Schweikert / Frank Reardon

When I hear them say  
There's better living  
Let them go their way  
To that new living  
I won't ever stray  
'Cause this is heaven to me  
Long as freedom grows  
(Long as freedom grows)  
I want to seek it if it's yes or no  
(If it's yes or no)  
It's me who'll speak it  
'Cause the lord, he knows  
That this is heaven to me  
If you've got your hands  
And got your feet  
To plow your land  
And cut your wheat  
You raise your head  
When night is done  
Shout your thanks up to the sun
