

Billie Holiday, WHAT IS THIS GOING TO GET US

Irene Wilson / Arthur Herzog Jr.

What is this going to get us
Where are we headin' in
When do we start to lrye dear
When do we really begin
What is this going to get us
Hanging around till four
Saying goodnight at daybreak
Kissing goodbye in the doorway
We can go on the way we've gone
I'm at the end of my rope
I can't live on love I've so much of
And I can't keep livin' on hope
What is this going to get us
Only an aching heart
When is this going to get us
Together never to part
