

Billie Holiday, YOU'RE GONNA SEE A LOT OF ME

A. Hoffman / A. Goodhard / M. Curtis

I'm gonna get you, I'm gonna get you

I'll make you love me, wait and see

Both day and night and night and day

You're gonna see a lot of me

I'm gonna haunt you, I'm gonna haunt you

Oh what a pest I'm gonna be

Both day and night and night and day

You're gonna see a lot of me

I'll be the spoon in your coffee

The knife that butters your bread

If I sound a little bit off it

That's because because because

you've gone to my head

If you're in China, I'll go to China

I'll never never let you free

Both day and night and night and day

You're gonna see a lot of me
