A. Hoffman / A. Goodhard / M. Curtis I'm gonna get you, I'm gonna get you I'll make you love me, wait and see Both day and night and night and day You're gonna see a lot of me I'm gonna haunt you, I'm gonna haunt you Oh what a pest I'm gonna be Both day and night and night and day You're gonna see a lot of me I'll be the spoon in your coffee The knife that butters your bread If I sound a little bit off it That's because because you've gone to my head Íf you're in China, I'll go to China I'll never never let you free Both day and night and night and day You're gonna see a lot of me
