Ella Fitzgerald / Teddy McRae / Chick Webb / Green You showed me the way When I was someone in distress A heart in search of happiness You showed me the way My sky was so gray I never knew I'd feel a thrill I couldn't dream a dream until You showed me the way The moment you found me The shadows around me Just disappeard from view The world became rosy Each corner so cozy Darling, all because of you You showed me the way And if I've learned that love can be a paradise For you and me Here's all I can say You showed me the way
