

# Billie Holiday, YOURS AND MINE

Arthur Freed / Nacio Herb Brown

The stars that shine  
Are yours and mine  
The rainbows in the sky  
Are yours and mine  
The song of springtime  
The lullaby of Fall  
The sunshine of summertime  
Belong to us all  
The moon above  
Is yours and mine  
The right to fall in love  
Is yours and mine  
The hope of finding the dream  
Our hearts desire  
All this is  
Yours and mine
