

Billie Jo Spears, I Can't Get Enough Of You

When you promised to be mine alone
Admit I'd love you from that moment on
I looked into your eyes and then I knew
That I can't get enough of you

I'd find the answer to my every dream
You have made a new life for me
I hunger for your touch the all day through
I can't get enough of you

I can't get enough of your kisses
Loving you means everything to me
In your arms there is nothing missing
That is where I'll always want to be

You understand the way that I feel
You satisfy my heart with love you give
And you do anything I ask you to
I can't get enough of you
I can't get enough of you
