

# Billie Jo Spears, Permanently Lonely

Don't be concerned it's time I have learned  
That those who play with fire get burned  
But I'll be alright in a little while  
And you'll be permanently lonely

Don't be too quick to pity me  
Don't salve my heart with sympathy  
Cause I'll be alright in a little while  
But you'll be permanently lonely

The world looks on with wonder and pity at your kind  
Cause it knows that the future is not very pretty for your kind your kind  
Will always be runnin and wonderin' what's happened to hearts  
That you've broken and left all alone  
But we'll be alright in a little while  
But you'll be permanently lonely runnin' lonely
