

# Billie Jo Spears, Sing Me An Old Fashion Song

Sing me, sing me an old fashion song  
Bring me, back in my mind to a time  
Where my memories all come from  
A good timing song, the kind  
That makes you wanta sing along  
A good old fashion hand clapping&#039;  
Knee slapping, foot tappin&#039; song

Sho fly don&#039;t bother me  
Sho fly don&#039;t bother me  
Sho fly don&#039;t bother me  
I don&#039;t want your company  
Flies in the buttermilk two by two  
Flies in the buttermilk sho fly sho  
Flies in the buttermilk skip to my lou  
Skip to the lou my darling

Sing me, sing me an old fashion song  
Bring me, back in my mind to a time  
Where my memories all come from  
A good timing song, the kind  
That makes you wanta sing along  
A good old fashion hand clapping&#039;  
Knee slapping, foot tappin&#039; song

When i was young i use to wait  
Upon my master and bring his plate  
And pass the bottle when his was dry  
And wash away the blue tail fly  
Jimmy crack corn and i don&#039;t care  
Jimmy crack corn and i don&#039;t care  
Jimmy crack corn and i don&#039;t care  
The master&#039;s gone away

Sing me, sing me an old fashion song  
Bring me, back in my mind to a time  
Where my memories all come from  
A good timing song, the kind  
That makes you wanta sing along  
A good old fashion hand clapping&#039;  
Knee slapping, foot tappin&#039; song  
(fade)

Sing me, sing me an old fashion song  
Bring me, back in my mind to a time  
Where my memories all come from  
A good timing song, the kind  
That makes you wanta sing along
