

# Billie, Officially Yours

Nine to five a.m.  
Gonna party all weekend  
I got your message  
But I ain't got time  
So much stuff to do  
Girlfriends keeping me from you but  
I wanna see you  
Honey that's no lie  
Ain't no way anitn' no use  
Cos I'm officially yours  
Kick your fears baby you can't lose  
Cos honey I'm no the girl gonna do you wrong  
Ain't no doubt always true  
Cos I'm officially yours  
Always give my love to you  
Baby all night long  
Boy you know that I  
Always like to socialize  
But that don't mean  
That I'm not down with you  
This girl's got to be  
Who she is cos this is me  
Who says it means that I'm gonna do  
What the other girls do?  
Ain't no way ain't no use  
Cos I'm officially yours  
Kick your fears baby you can't lose  
Cos honey I'm not the girl gonna do you wrong  
Ain't no doubt always true  
Cos I'm officailly yours  
Always give my love to you  
Baby all night long  
I can't deny that I wanna be, oh  
Everything that you need from me  
Just relax oh baby can't you see  
Don't have to follow me  
You got my honesty  
So don't you worry  
Cos I'm gonna treat you right  
No situation  
No need to fuss and fight oh no  
Ain't no way ain't no use  
Cos I'm officailly yours  
Kick your fears baby you can't lose  
Cos honey I'm not the girl gonna do you wrong  
Ain't no doubt always true  
Cos I'm officially yours  
Always give my love to you  
Baby all night long  
(Chorus Repeat x 2)
