

# Billy Bragg and Wilco, My Flying Saucer

My flying saucer, where can you be  
Since that sad night that you sailed away from me?  
My flying saucer, I pray this night  
You will sail back before the day gets bright

My flying saucer, fly back for home  
You will get lost in the universe alone  
My flying saucer, end all my fears  
Sail back tonight, love and kiss away my tears

My flying saucer, I pray this night  
You will sail back before the day gets bright

You will sail back before the day gets bright
